Include what you think you should expect from the program and what your teachers should expect from you. Include your thoughts on homework, writing assignments (how appropriate), projects, class decorum, and anything else that comes to mind. Include what you think you have to do to be successful i.e. earning an A!!!!!!!!!!!!!! The rubric will be a modified Collins method. Partial FCA.s, Focus Correction Areas will include length, neatness, spelling, sentences (no fragments or run ons) and use of paragraphs. You will also be graded on a modified Wood method. Have a snappy opening, I have to read forty something of these bad boys, so grab my attention. Have a clever ending, not a summary, this is what I think yada yada—ugh. Finally be honest. Don't write a formulaic essay. Be original. Keep it real baby! Write something enjoyable to read, as well as to write.
3. Have a nice summer!!!!!!!!!!!!!!
